

## NOTICE TO THE MARKET

### Aliansce Sonae and iFood announce partnership to improve customers' experience

**Rio de Janeiro, October 29<sup>th</sup>, 2019** - Aliansce Sonae Shopping Centers S.A. ("Aliansce Sonae" or "Company") (B3: ALSO3), announces its partnership with iFood.com Agência de Restaurantes Online S.A. ("iFood"), to offer even more convenience to consumers. In the coming months, the group's malls will receive iFood Hubs, order pick-up points that provide a more practical journey for deliverymen and optimize purchases made at the food courts. The partnership is in line with the Company's omnichannel strategy, promoting online and offline complementarity.

The first centers to receive these structures will be Parque D. Pedro Shopping, in Campinas (SP), and Shopping Leblon, in Rio de Janeiro (RJ). Orders placed in areas close to the malls are expected to be fulfilled quicker, increasing tenants' sales and providing more convenience to consumers.
